Splitsko područje izuzetan je dio Hrvatske, a njegova ljepota naglašena je očaravajućim povijesnim događajima, spomenicima i kulturnim manifestacijama.

Katarina Hotel je smješten između UNESCO bisera: **grada Splita, Trogira, Salone, te grada Sinja, pozornicu svjetski poznate Sinjske Alke.**

Sinjska Alka viteška je igra, a potječe od povijesne pobjede naroda Cetinske krajine nad Turcima 15. Kolovoza 1715. i održava se svake godine početkom kolovoza. Sinjski alkari natječu se u gađanju alke (prsten), jašući srebrom ukrašene konje i noseći izvorne kosime sačuvanih u spomen na Pobjedu.

Prilično posebno, zar ne?

O Destinaciji

| About destination

Split city area is an exceptional part of the country and its beauty is made more enchanting by numerous historic events and monuments and cultural events.

Katarina Hotel is centered between UNESCO pearl of cities of Split, Trogir, Salona and town of Sinj, as a stage where world famous Sinjska Alka is taking place.

Sinj's knightly game called Alka originates from the historical victory of the people of Cetinska Krajina over the Turks on August 15th 1715 and is held every year in early August. Sinj's Alka knights compete in hitting the Alka (ring), riding horses decorated with silver and wearing original costumes preserved in memory of the victory.

Pretty special, isn't it?
