

# eTwinning za učenike

eTwinning

# Što je eTwinning?

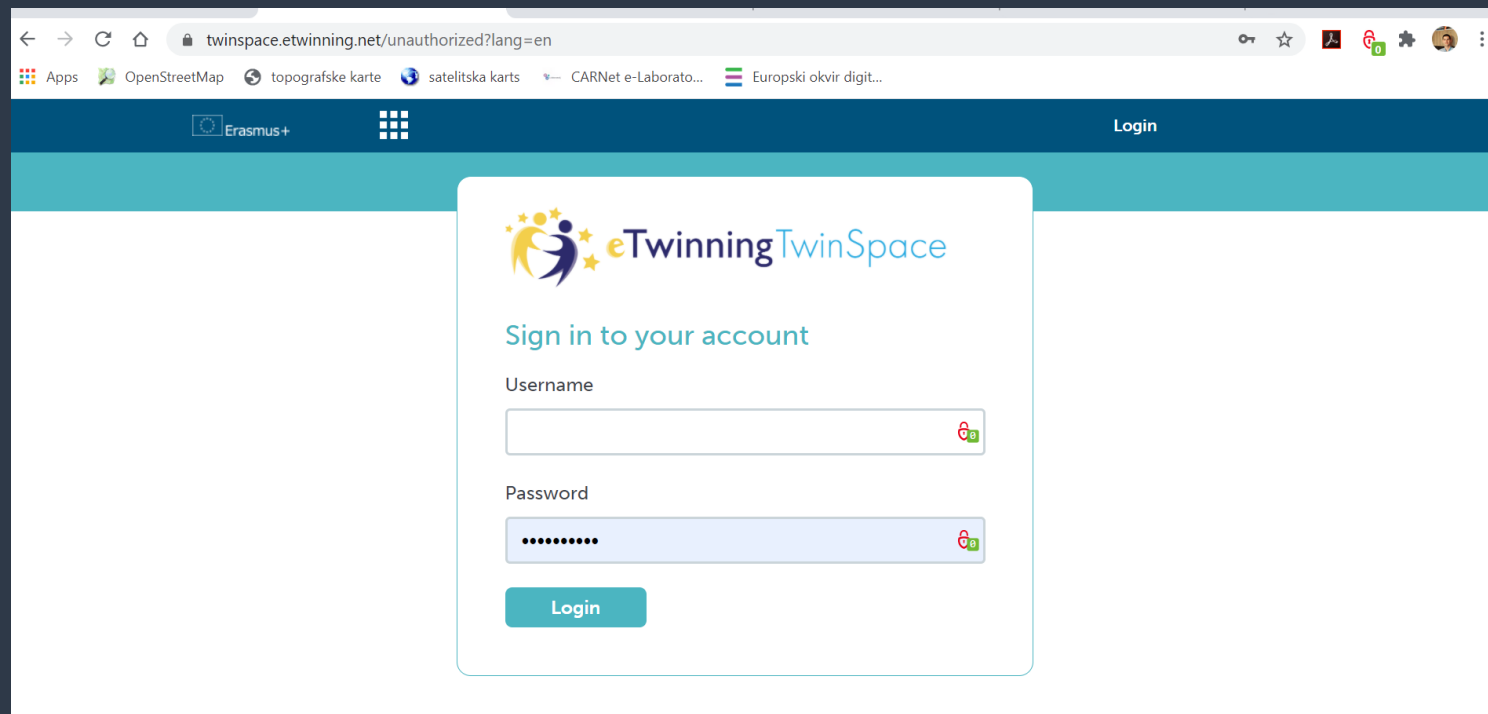

Vrlo jednostavno - eTwinning je zajednica škola u Europi.

Nastavnici i učenici iz svih zemalja sudionica mogu se prijaviti i koristiti eTwinning online alate (Portal i Radnu površinu) kako bi se međusobno pronalazili, susretali u virtualnom okruženju, razmjenjivali ideje i zadatke, okupljali, zajedno učili i surađivali na zajedničkim online projektima.

Na projektu moraju surađivati barem dvije škole.

# Logiranje u profil

- <https://twinspace.etwinning.net>
- VAŽNO: učenik ne može sam napraviti profil, to radi isključivo nastavnik. Učenik se spaja s postavkama koje dobije od nastavnika.

The screenshot shows a web browser window with the URL `twinspace.etwinning.net/unauthorized?lang=en`. The page features a dark blue header with the Erasmus+ logo and a 'Login' button. The main content area is white and contains a login form titled 'Sign in to your account'. The form includes the eTwinning TwinSpace logo, a 'Username' input field, a 'Password' input field (masked with dots), and a teal 'Login' button. The browser's address bar and tabs are visible at the top.

naziv projekta

The screenshot shows a web browser window with the URL [twinspace.etwinning.net/96443](https://twinspace.etwinning.net/96443). The browser's address bar and tabs are visible at the top. The page header features the Erasmus+ logo, the project name "FOOD AS MEDICINE" with a dropdown arrow, and the language "hrvatski" with an "Odjava" (Logout) button. Below the header is the eTwinning TwinSpace logo and a navigation menu with links: "POČETNA STRANICA", "STRANICE", "MATERIJALI", "FORUM", "MREŽNI SASTANCI", and "ČLANOVI". The main content area has a teal background. On the left, there is a section titled "Food as medicine" with a light blue box containing the text: "The project is designed to create recipes that can help with autoimmune diseases. Students will explore about autoimmune diseases, nutrition options tailored to these diseases. They will also prepare recipes and meals to help patients with autoimmune diseases." Below this is a link for "Najnovija ažuriranja" (Latest updates) with a question mark icon. On the right, there is a button for "Mrežni članovi" (Network members) and a section for "Uđite u brbljaonicu" (Join the chat) with a speech bubble icon.

# Primjer stranice s dokumentima (Materijali)

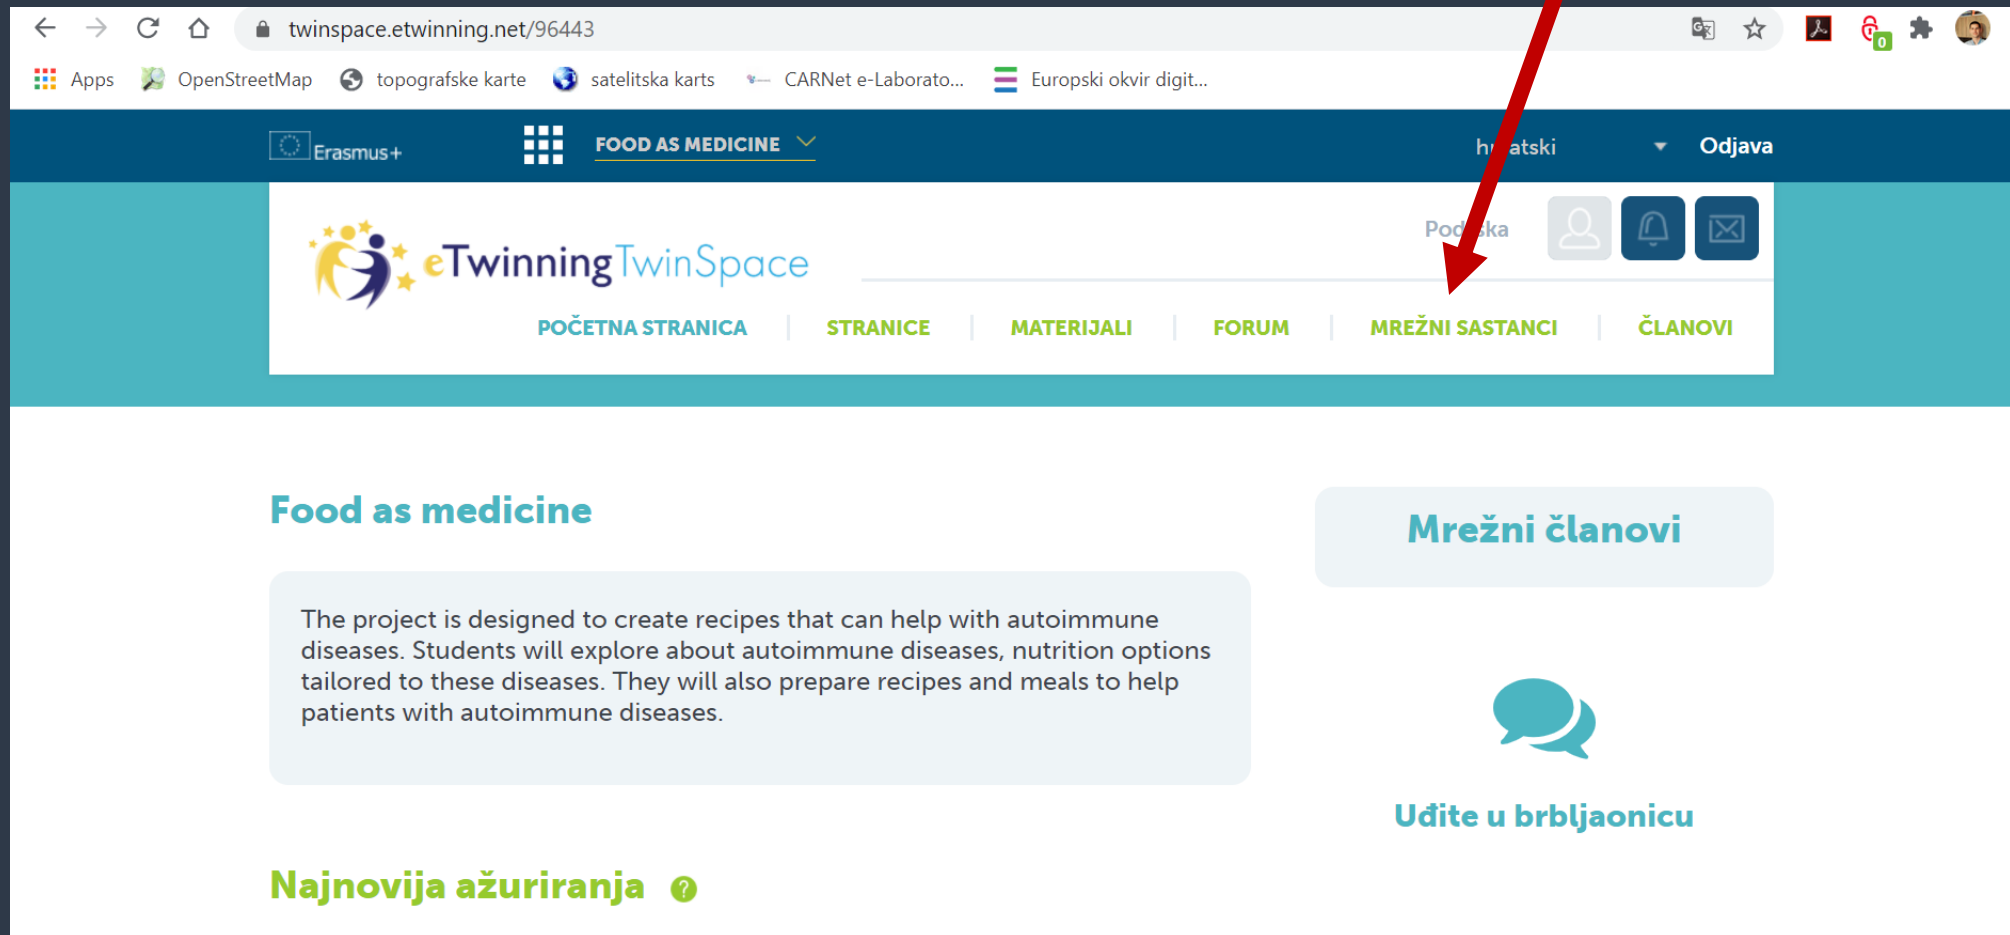

The screenshot displays the eTwinning TwinSpace website interface. The browser address bar shows the URL `twinspace.etwinning.net/96443/materials/videos`. The page header includes the eTwinning logo and navigation links: **POČETNA STRANICA**, **STRANICE**, **MATERIJALI**, **FORUM**, **MREŽNI SASTANCI**, and **ČLANOVI**. A search bar labeled "Traži" is positioned in the top right. The main content area is titled "Videosnimke" and features a tabbed interface with "Videosnimke" selected. Below the tabs, there are two folder listings under the heading "Mape": "Golden Milk" (containing 5 items) and "ünye mesleki ve teknik anadolu lisesi" (containing 1 item). To the right, a "Videosnimke" section displays a grid of video thumbnails. A footer element in the bottom right corner indicates "Mrežni članovi (1)".

Služi za razgovor s ostalim članovima projekta.

The screenshot shows a web browser window with the URL `twinspace.etwinning.net/96443`. The browser's address bar and tabs are visible at the top. The website's header features the Erasmus+ logo, the project name "FOOD AS MEDICINE", and a language selector set to "hrvatski". A navigation menu below the header includes links for "POČETNA STRANICA", "STRANICE", "MATERIJALI", "FORUM", "MREŽNI SASTANCI", and "ČLANOVI". A red arrow points to the "FORUM" link. To the right of the navigation menu, there are icons for "Podrška" (Support), a user profile, a notification bell, and an email icon. Below the navigation menu, the main content area is divided into two columns. The left column has a section titled "Food as medicine" with a text box describing the project's goal: "The project is designed to create recipes that can help with autoimmune diseases. Students will explore about autoimmune diseases, nutrition options tailored to these diseases. They will also prepare recipes and meals to help patients with autoimmune diseases." Below this is a link for "Najnovija ažuriranja" (Latest updates). The right column has a section titled "Mrežni članovi" (Network members) with a speech bubble icon and a link that says "Uđite u brbljaonicu" (Join the chat).

Soba za razgovor u realnom vremenu.
